

The Women of Zion St John Lutheran Church
invite the Sheffield Community to join us for

"An Afternoon of Hope"

Scott Mathiasen, M.A., a counselor with Anchor Family Health in Mason City, will share through music and word as we learn about depression and suicide. Scott believes that faith greatly influences our self-perception, situation, and worldview. Scott graduated from the University of Iowa in 1991 with a BA in Psychology, and earned his MA in Clinical Psychology from Wheaton College in 1993.

This presentation is appropriate for all people.
